## G.E.C.

### AERODROME LIGHTING

AT THE NEW

### GATWICK AIR PORT

*Night View of a G.E.C. Cone Type Boundary Light*

G.E.C. Lighting has greatly reduced the difficulties and dangers of landing or taking-off after daylight hours. The efficiency of this lighting enables aerodrome activities to be continued with the same degree of safety at night as by day.

*G.E.C. Equipment for the Gatwick Airport comprises:—*

BOUNDARY LIGHTS  
WIND INDICATOR  
BEACON & BEACON TOWER  
OBSTRUCTION LIGHTS & POLES  
CABLE  
SWITCH & CONTROL GEAR

*also*

*The G.E.C. has supplied the complete Night Landing Equipment at the Sister Aerodrome, Gravesend.*

*G.E.C. Lighting Equipment has been specified for:—*

CROYDON

CARDIFF

BRIGHTON

GRAVESEND
